#Professional Experience

Toolbox Medical Innovations/ Data authenticator

Starting Date - Ending Date : Location

↳Verified accuracy data before sending to the FDA.

↳Reported and fixed errors or inaccuracies.

#Education

California State University San Marcos / Computer Science

2018 - 2022 : CA

CLI / Chinese learning school

Feb 2019 - June 2019 : Guilin, China

Achieved CEF: B2 level of fluency with no prior studying of Chinese.

Le Wagon / Fullstack coding Bootcamp

October 2019 - December 2019 : Shenzhen, China

Successfully executed every assignment that our lead designer gave me by jumping into foreign territory and reworking APIs to fit our needs.

Toured and interviewed big name companies in China, including Tencent.

Built an interactive JavaScript 3D globe without any prior animation or canvas knowledge. I used an API as the starting ground, and resourced using Online articles in order to make the globe meet my teams requirements.
